

ALAN SCHREIER

GRADUATED FROM EDGAR HIGH SCHOOL IN 1978

Alan Schreier graduated from Northcentral Technical College with an Associate Degree in agricultural mechanics and earned a welding certificate.

He traveled to Kansas and Australia for the Weston Power Plant to review four designs and inspect boilers similar to those at Weston.

Alan was (or is?) a mechanic for farm equipment at G & R and is a Weston Power Plant janitor and member of the maintenance crew. He worked toward the title of progressive welder ASME for six years and is maintenance supervisor.

Volunteer service includes becoming recertified in CPR, acts as an usher and parish council member as well as education committee member at St. Mary's Catholic Church, Marathon, and chairperson for the welding advisory committee at NTC, Wausau.

Alan Schreier and his wife, Cindy, have two children, David and Kristin.
