

FRED HEIDMANN

GRADUATED FROM EDGAR HIGH SCHOOL IN 1987

Fred Heidmann is the youngest of seven children, all of which graduated from Edgar High School. After graduation Fred enlisted in the United States Navy for four years as a helicopter mechanic. He did his basic training in Great Lakes, Illinois and was stationed at North Island Naval Air Station in San Diego, California.

After being honorably discharged from the Navy, Fred had a variety of jobs, which led him to a career in the overhead door industry. He established his own business, Door Pro Overhead Doors LLC in 2002.

Around this same time, by chance, Fred stumbled into a hobby of performing as an Elvis Tribute artist. This hobby led him all over the state for years performing in a variety of places such as: schools, elderly homes, sporting events, hospitals, weddings, and concert venues.

Both Fred's business and hobby as an Elvis impersonator have led him to opportunities to "give back" to the Edgar and surrounding communities.

Fred is married and is father of three boys and one girl. He currently lives in Stratford. He is extremely honored to be inducted into the Edgar Alumni Hall of Fame.
