Ron joined Wausau Insurance Companies in September 1978 as an Office Planner Assistant. Five promotions brought Ron to his current position of Planning and Construction Unit Manager which is the department that provides complete design and construction management for all construction and renovation of every Wausau Insurance Facility in the United States. Ron and his staff of ten are responsible for facilities planning for approximately 6900 employees. In terms of space this is in excess of two million square feet of office space in more than 130 locations countrywide. Ron is also responsible for establishing, maintaining and monitoring an annual multi-million dollar budget.

Ron and his wife, Michelle, have a son, Gabriel.
