

School District of Edgar

Assessments

2025-2026

Elementary,
Middle & High
School

FastBridge

6th-8th Grades

- Tests Reading & Math Skills.
- Gives teachers more precise data to identify at-risk students and intervene quicker to prevent students from falling even further behind.

*YRBS

6th-12th Grades

- Surveys health risk behaviors that contribute to the leading causes of death, disability, and social problems among youth and adults.
- See attached letter for opt-out.

*BASC/BESS

7th, 9th & 11th Grades

- Assess the behavioral and emotional risks and overall mental health status.
- Questions refer to Adaptive Skills, Externalizing Problems, Internalizing Problems, and School Problems.

AimswebPlus

Elementary

AimswebPlus is an online assessment and reporting system that helps schools monitor and benchmark student progress in reading and math skills.

FORWARD

3rd-8th, & 10th Grades

- Tests English, Math, Science & Social Studies.
- Gauges college and career readiness according to the Wisconsin Academic Standards.

B.E.S.T.

Elementary

- Assess the extent to which children exhibit social-emotional and behavior concerns in the school setting, which distracts them from learning.
- Data is used for academic and behavioral growth in school.

ACT Plus Writing

11th Graders

- Tests English, Math, Reading, Science & Writing.
- Can be used when applying to college.

Pre-ACT

9th-10th Grades

- Assesses student readiness in English, Math, Reading, Science, and Writing.
- Scores are used in context of college and career readiness.
