DR. H.A. SCHULZ
March 7, 1899-November 6, 1976

WELCOME TO THE DR. H.A. SCHULZ TRACK INVITATIONAL

It is my honor to welcome you to the annual Dr. Schulz invitational track meet. This event has been held at Edgar High School since the 1970's in honor of my grandfather, Dr. Herman A. Schulz. Though all of the participants this year were born after his death, many of your parents remember Dr. Schulz with his dry sense of humor and unique bedside manner that comforted his patients.

Dr. Schulz was born in Random Lake, Wisconsin (a small town in Sheboygan County) in 1899. After graduation from high school he enrolled at Marquette University in 1917. His education was interrupted by service in the U.S. Army in World War I. After returning from the military he returned to the university and graduated from the Marquette Medical School (now Medical College of Wisconsin.) After practicing medicine in Ripon, Fremont, and Greenwood, Wisconsin, he moved to Edgar in 1931. Dr. Schulz practiced in Edgar until his death in 1976. Probably the most notable achievement of his practice was delivering over 3000 babies.

In 1924 he married Jeanette Kidnay with whom he had three children, Herman A. Jr. (my father, Dewey), Nancy, and Mary. Jeanette died in 1944 and in 1946 he married Amelia Warosh with whom he had one son, John. He has 9 grandchildren and 18 great-grandchildren.

Dr. Schulz served in many civic leadership positions. Among them were Edgar Village President, County Board Chairman, Edgar School Board President, Justice of the Peace, and County Coroner. He was

active in the County and State Medical Societies, the Lions Club, and the American Legion. He provided exceptional leadership to the school and was School Board President when much of the Edgar public school that you see today was built.

In our fast paced world of the 21st century we often forget to remember the leaders of the past and the valuable service that they performed to make our world what it is today. As you compete today, I ask you to remember your own parents, grandparents, and great-grandparents and how they have made your community what it is today.

For the Family,
