PLC Questions

1. Discuss the three P's (Presentation, Process, Product) How have you differentiated in your classroom? Has it focused on one area or been holistic?
2. Why is differentiation necessary in our classrooms?
3. What are the biggest barriers to differentiation in your classroom?
4. If time was not a factor, what immediate changes would you make to better meet the needs of all students?
5. Do you feel that further training would be beneficial to help us collectively find ways to improve the differentiation that is being utilized in the Edgar School District? If so, what do you feel would be helpful?
