

FORREST PAUL

GRADUATED FROM EDGAR HIGH SCHOOL IN 1993

Forrest Paul is the Director of Operations and a member of the Board of Directors for a national construction services organization. He is accountable for performance and management of all construction operations for a firm focusing on environmental, energy, and civil construction. In his leadership role, he has helped establish business practices and expanded service offerings leading to nearly 300% business growth. His strong leadership, organizational, and project skill set is coupled with diverse construction and professional engineering backgrounds. He is a licensed professional engineer in six states and has obtained a general contractor license in eleven states.

Over the course of his career, Forrest has managed self-perform remediation and renewable energy construction units, developed and implemented a corporate renewable energy construction quality control program, and served as project manager for at-risk, large capital projects. He has also been tasked to utilize insight and experience in providing recommendations for corporate strategy and is accountable for personnel safety, client satisfaction, project execution, and project financials.

Forrest has earned a number of professional awards and achievements in his career. He has been awarded shareholder status of his current organization, and elected to numerous executive director nomination committees. Forrest has managed nine award winning projects that earned organizational recognition for overall excellence. Most notably, one project achieved the South Carolina Palmetto Award for Engineering Excellence in 2005.

Forrest earned a Bachelor of Science degree in Civil Engineering from the University of Wisconsin - Platteville where he was named to the Dean's List and was part of the Chi Epsilon Honor Society. Forrest was a member of the Platteville Football Team and was a 4-year Letter Winner, Team Captain, and All Conference. He also lived and worked in Germany as player/coach for the Hof Jokers in the Bavarian American Football Association (AFVBY)

Forrest volunteers regularly at his church, and is also a volunteer coach for many youth sport programs in the Grand Rapids, Michigan area. He resides there with his family including his wife Kylee, sons Kellen and Brecken, and daughter Henleigh.
