

READING ONLINE FUN

Keep your child excited about reading with computer games! List compiled by Mrs. Smith, Title One Reading

www.fun4thebrain.com

This website is great for Grades 1-3. Type in the website & click on English to be brought to these games:

-Popcorn Sight Words

Click on the correct popcorn sight word. Students can catch the popcorn when they get so many words correct.

-Base words baseball

Play a baseball game while learning suffixes or word endings.

-Syllable split

Decode two-syllable words to build a log cabin.

-Magic "e" adventures"

Use the magic "e" wand to make long e words.

www.sesamestreet.org/games

This website is great for Grades 4K-1. Type in the website and click on by subject. Choose the category alphabet & letters.

-Alphabet Soup

Make words by clicking on a letter. Cookie monster tells you the letter sound and the word that it makes.

-What starts with the letter?

Click on pictures that begin with the corresponding letter.

-Big Birds Letter

When students click a letter on the keyboard, the computer tells them the letter they chose and the sound it makes.

-Bumper Cars

Students need to find objects that begin with a corresponding letter. They then get to ride rides.

-Toddler Keyboard-O-Rama

Press keys on the keyboard to find out what they are and what picture begins with that sound.

-Letters to Big Bird

Big bird finds a letter in his mailbox and the student needs to find things on his shelf that begins with that letter.

-Find the Letter

Click on and identify the correct letter with Cookie Monster.
